

# Your future matters.

THE SOLO 401(K) WAS DESIGNED FOR THE SELF-EMPLOYED

Whether you're a freelancer, consultant, or small business owner with no employees, a solo 401(k) puts you in control of your financial future.

## You can save a lot more.

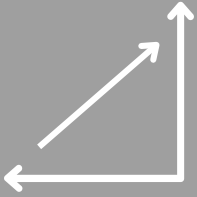

Compared to an IRA plan, you can contribute about 10x more into a solo-k.

## You can afford this plan.

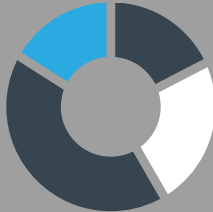

We created a pricing model that is practical for solopreneurs.
