

Smart retirement for the self-employed.

[EXPLORE THE SOLO 401\(K\)](#)

The 401GO Solo 401(k) gives independent business owners an easy, affordable way to save more for retirement—without the complexity of traditional plans. Enjoy the same powerful benefits larger companies offer, with tools and automation built for a one-person business.

Why choose a Solo 401(k)?

A Solo 401(k) lets you contribute both as employer and employee, helping you save more each year. A Solo 401(k) has much higher contribution limits than some other plan types, and gives you the flexibility of using both pre-tax and Roth contributions.
